## Journal of Parenteral and Enteral Nutrition

---

Rely on Ovid as the trusted solution that transforms research into results

Published in association with the American Society for Parenteral and Enteral Nutrition, the Journal of Parenteral and Enteral Nutrition (JPEN) is the premier scientific journal of nutrition and metabolic support.

JPEN publishes original peer-reviewed studies that define the cutting edge of basic and clinical research in the field. It explores the science of optimizing the care of patients receiving enteral or IV therapies. Also included: reviews, techniques, brief reports, case reports, and abstracts.
