## Medicine & Science in Sports & Exercise

Rely on Ovid as the trusted solution that transforms research into results

Medicine & Science in Sports & Exercise®, an official journal of the American College of Sports Medicine, features original investigations, clinical studies, and comprehensive reviews on current topics in sports medicine and exercise science.

With this leading multidisciplinary journal, exercise physiologists, physiatrists, physical therapists, team physicians, and athletic trainers get a vital exchange of information from basic and applied science, medicine, education, and allied health fields.
